PHYSICAL PRODUCTION
Joe Wallenstein
Director, Physical Production

April 29, 2019

To Whom It May Concern:

This letter verifies that Chuan Hui Chang is a graduate student at the University of Southern California's School of Cinematic Arts. Chuan Hui is directing a 582, film titled, "Shades of Jade." Her student producer is Jessica Mathisen.

A 582 project at the USC School of Cinematic Arts is an independent thesis film at the graduate level. These advanced projects afford the student a greater degree of freedom to explore areas of filmic expression than might be found in other venues.

582 films are privately financed by the students and receive no assistance from USC facilities or equipment, nor are they covered by USC's insurance policy or Screen Actors Guild agreement. However, USC mentors guide students in initiating independent insurance and SAG agreements.

Neither USC nor the School of Cinematic Arts owns the copyright to any product of the 582 projects.

If I can provide further information, please contact me at (213) 740-7126.

NOTICE OF STUDENT FILMING

We, the student filmmakers named below on this form, are planning to film a student production in your neighborhood. We are applying for all necessary permits and agree to maintain all legally-required liability insurance. Additionally, all personnel required to ensure public safety will be on location. We will abide by all County or City filming rules and any specific guidelines applicable to your neighborhood.

We will make every effort not to disturb you and will treat your neighborhood with the respect it deserves. Thank you in advance for your hospitality and cooperation while we are filming on your street.

When filming on-location in the County or City of Los Angeles, advance notice must be provided to all residents, merchants and/or businesses within a 500 foot radius of the filming location. Exceptional filming activities, such as simulated gunfire, may require us to notify a wider area.

We will be filming scenes for the following production/project.
